*We are...*

- » A diverse church where everyone feels at home
- » A faith family of God's people working together to reach our local community to all the world for Christ
- » All for the glory of God

*Prayer Requests...*

- » The Lord will give us direction and expand our outreach at Huntsville Mobile Homes, so that the people in that neighborhood will come to know the Lord
- » The Lord will open the door to other neighborhoods in our community that are not being reached and allow us to minister to and share the gospel with them
- » The Lord will increase our outreach to the Hispanic community in Huntsville
- » We will have wisdom in ministering to those with a Catholic background
