We are...

» The first SBC Chinese church planted in 2020, and first in Alabama » By God's grace, supported by Montgomery Baptist Association, Pike Road Baptist Church and the SBOM, allowing MCCC to come into reality » MCCC could be the example for Chinese church planting ministry later in the surrounding area such as Birmingham, Auburn or Tuscaloosa.

Prayer Requests...

» Congregations to have a brave heart to worship God in the sanctuary ASAP » Me to have spiritual wisdom and strength to pastor the new church » Our congregation to be protected and guided in this difficult time of the COVID-19 virus
