

ENGAGED CHRISTIAN CHURCH

VISION TOUR

Engaged Christian Church is a three-year old Southern Baptist church in Montgomery, Alabama which works in cooperation with the Alabama Baptist State Convention and the Montgomery Baptist Association. Their vision is “To prepare Christians with God’s Word to Empower, Encourage, and Evangelize Individuals and families to live Christ centered lives that impact change in the world for God’s Glory.” The Church is averaging around 100 in worship each Sunday and recently purchased the facilities of the McGhee Road Baptist Church in Montgomery. These are wonderful faculties, but some repairs are needed that this new church cannot afford on its own. So, mission teams are being sought to do some of the minor, cosmetic jobs and sponsors are being sought for specific repairs which must be done by licensed contractors. If you would like to check it out, come see and hear for yourself.

What is a Vision Tour?

A Vision Tour is an opportunity to see the need with your own eyes, to meet the pastor for yourself, to hear the church’s vision with your own ears, and to decide for yourself if this is a project with which your church will feel comfortable.

- **Tour the facility and see the needs. Determine which parts of the project might match your team’s skills.**
- **Have lunch with other interested partners.**
- **Hear the pastor describe the vision of the church.**
